SANTINI JERSEYS FIT GUIDE

The jerseys in the Santini collection feature 3 different fits. We suggest you to select carefully your size according to the type of fit the garment features.

For jerseys with SLEEK FIT we recommend choosing one size larger if you don't want a very tight fit, since they are designed with an extremely aerodynamic cut.

SLEEK FIT

Skintight fit and elongated in the back.
Developed with riding position in mind
to maximize aerodynamic properties.

The jerseys of our AERO-LIGHT range feature this FIT.

SLIM FIT

Form fitting jersey. Remains close to
the body minimizing wind resistance in the saddle.
The jerseys of our ELITE range feature this FIT.

CLASSIC FIT

Regular fitting jersey. Soft on the body
for those that prefer a more classic fit.
The jerseys of our EVERY DAY COMFORT
range feature this FIT.

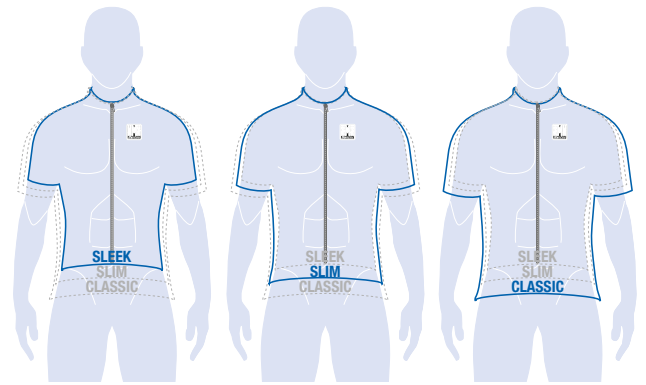

In the following pages you will see jerseys in the 3 different fits worn by models of different sizes.

This guide is intended to assist you in choosing your size according to the fit selected.
